Before starting the I.CA SecureStore application, connect the Starcos smart card reader/token to your PC.

3. Uninstall I.CA SecureStore

Uninstall the I.CA SecureStore application before installing a new version of this application.

Recommended uninstall procedure:

- 1. Remove the card from the reader
- 2. Restart windows
- 3. Start the uninstallation in the following way

Uninstall the I.CA SecureStore application using the **Start menu - Control Panel - Programs -Programs and Features -** I.CA SecureStore - **Uninstall**

Part of the application are also components of **I.CA PKIServiceHost** and **I.CA Maintenance2**, which also recommend to uninstall when uninstalling.
